Large Crowd Gathers At Two Football Contests

Kamehameha Defeats McKinley By a Score of 3 to 0, Giving Them Chance for Championship—Punahou and College of Hawaii Fight Throughout Game With No Score—Hussey Makes Only Point of Afternoon When He Kicks Goal From Field in Game Against High School Squad

When more than 50 football players tote a football back and forth across the chalk marked gridiron for a period of over two hours with but once crossing the goal line, the natural conclusion is that there must have been some interesting and hard-fought struggles, and the conclusion is right. Punahou and College of Hawaii played throughout the first game without a point made and Kamehameha could not cross McKinley's goal line in the second struggle, winning the game by a goal from the field by Hussey.

The largest crowd by far that has attended a local football game gathered at Alexander Field on Saturday to watch the contests between the four schools fighting for the gridiron honors. That the athletes themselves made a proper move in scheduling the games on one field was acknowledged by hundreds who watched the play. It would have been unfortunate for the lovers of football in the city had they missed one of the games.

Large Crowd Out.

It was estimated that there were 700 at the game who were not students, which would make the attendance for the day close to 1500. And contrary to the expectations of those who were not in favor of transferring the game to a person left the field after the games started until the finish of the McKinley-Kam game. In the first contest Punahou and Hawaii occupied the opposite stands and the rooting was again a feature. When the Kam team took the field Kamehameha students who were banded along the sidelines occupied the Punahou stands while the McKinley rooters took the stands opposite. The cheering was again a feature.

In the opening contest the College of Hawaii back-field did not show up to form and the line held the Punahou back-field time and again. This contest was one between the forwards as neither back-field was able to show in the struggle. Hicks at center was all over the field, stopping the backs and charging his man when an opening was needed. Gifford was a tower of strength on the defense and often times blocked the runner for a loss. Brash made a number of gains as did Correa and Naphia, but neither of the trio displayed the bucking and running ability that had been shown in other contests. The reason: Both teams were strong on defense Saturday afternoon.

First Quarter.

Hawaii kicked off to Punahou in the first quarter and the ball went back and forth near the center of the field. Naphia bucked the line but could not gain, and Correa was stopped. The Punahou center here made a bad pass and the ball went to Hawaii. Brash made 8 yards through the right side of the Punahou line and Spencer was stopped. Hawaii kicked but 20 yards and on the exchange Punahou gains. Gifford broke through the line and stopped Austin.

In the second quarter Punahou gained on runs by Hips, Correa and Naphia. Punahou had the ball on the 20-yard line and lost the ball to Hawaii. Then Lionel Brash started down the field. In three successive bucks he made 19 yards and Spencer ran the end for a slight gain. Brash got off a nice punt for 45 yards and Correa returned it 30 yards against the wind. Naphia fumbled the pigskin as the quarter ended.

Correa Gains.

Punahou kicked to Spencer in the third quarter, who ran the ball back 15 yards. Austin gained 5 yards and then the ball went over to Punahou. Correa made seven yards on a cross buck, then took the ball again for first down. Correa made five yards more and Naphia hit tackle for the remaining distance.

Peterson tried a drop kick from the 25 yard line but failed, and Spencer in the last quarter went around end for four yards. A forward pass failed and Brash punted 40 yards. Hips made first down on a fake punt. Naphia gained 5 yards around end and Kauhane went through the line for 12 yards. A forward pass netted four yards and Peterson again attempted a drop kick which failed. The ball shifted back and forth across the field until time was called.

Second Game.

McKinley kicked off to Kamehameha in the first quarter and Iuane went through the line for a gain. G. Bertelmann hit the left side of the line for 10 yards. Kam was fighting hard and the backs were hitting the line in perfect shape. They picked their holes well and their play in this period was one of the features of the year in line bucking. Kam marched down the field for consistent gains until they reached the 18-yard line, where a fumble was recovered by Clifford Melim, who then ran the right ear for 10 yards.

A fumble in this period gave the ball to Kam and on the first play Andrade stopped G. Bertelmann for a loss. Kam lost the ball and C. Melim circled right end for a 20-yard gain. Hawkins here made seven yards. Before the quarter closed Clifford Melim made another end run of 20 yards. Harry Melim opened the second

quarter by hurling a forward pass to Andrade for a 25-yard gain. Kam gets the ball on the third down and Eaton is stopped. On the next play Andrade spilled the interference and got his man for a loss. The ball went to McKinley and C. Melim tore off 5 yards and Hawkins made first down. McKinley was playing a great game this quarter and the ball was carried down in Kam territory. Gibson juggled the ball here and Eaton went through for first down. After hitting the line Kam kicked and C. Melim and Hawkins made first down. On a forward pass Kam took the ball.

Kamehameha kicked to Harry Melim in the third period and the Melims made first down. In this period Fred Carter broke through the Kam defense and got Bertelmann for a big loss. Throughout this period the teams were fighting hard and Kam carried the ball to the 25-yard line, where Hussey drop-kicked a perfect goal. Score, Kam 3, McKinley 0.

The last period was devoted principally to line bucking and G. Bertelmann and Iuane made big gains through the line. Hussey tried a drop kick from the 34-yard line but the kick was blocked and McKinley took the ball. Here Hawkins showed his best work of the day. On four successive bucks the little McKinley half tore the line to pieces and gained 24 yards through the Kam defense. Sam Carter went into the game here and showed defensive work up to standard despite his bad shoulder. The ball shifted back and forth and time was called when neither side could cross the last mark at the goal. Toe aggressive.

Kam showed a fighting team on Saturday and they played hard, but one regrettable fact occurred, that the Kam center continually showed a spirit that was too aggressive. He went out of the game late on account of rough work, the only regret is that the officials had not jerked him out sooner. The other Kam players played aggressive but clean games and their work on Saturday points them as possible contenders for the championship.

Capt. Booth used two teams, which was an innovation. An entire new team took the field at the beginning of the second and third quarters and this action perhaps kept McKinley from scoring as the fresher men had a good advantage over the tired high school team. The stars of the game were many but C. Melim, Carter, Andrade, G. Bertelmann, Hussey and Peneku were much in the limelight. Kamehameha will play Hawaii Wednesday at Kamehameha and McKinley will meet Punahou on Wednesday at Alexander field.

KAM VS. HIGH GAME.	
Kam.	McKinley.
Richmond	Andrade
Wolsey	Left end
Peneku	Left tackle
W. Clark	Left guard
Kanu	Center
H. Bertelmann	Right guard
Dower	Right tackle
De la Nux	Right end
Wright	Quarterback
Iuane	Left halfback
G. Bertelmann	Right halfback
Fullback	
Score by period:	
Kam	0 0 3 0-3
McKinley	0 0 0 0-0
Substitutions—Cradle for Richmond, Simeons for Wolsey, Arrone for Peneku, C. Bertelmann for W. Clark, Kamuku for Kanu, Kalkaka for H. Bertelmann, Hussey for Dower, Sniffen for De la Nux, Anahui for Wright, Eaton for Kuane, Gibson for G. Bertelmann, S. Carter for Bent.	
Referee—Lieut. McAndrews, U. S. M. A. Umpires—Captain Taylor, Brown, Head linesman—Mr. Blowers.	

PUNAHOU VS. HAWAII GAME.	
Punahou.	Hawaii.
Hips	Left end
Baldwin	Left tackle
D. Pratt	Left guard
Mott-Smith	Center
Bromley	Right guard
Gifford	Right tackle
Hitchcock	Right end
Norrie	Quarterback
Kauhane	Right halfback
Correa	Left halfback
Naphia (capt.)	Austin (capt.)
Referee—Mr. Blowers. Umpire—Lieut. Charles Lyman.	

INFANTRY TEAMS WILL CLASH ON LOCAL GRIDIRON

FOOTBALL SCHEDULE.

Nov. 21—1st Infantry vs. 2nd Infantry, at Honolulu.
Nov. 25—1st Infantry, N. G. H., vs. 1st Infantry, at Honolulu (morning game).
Dec. 5—1st Infantry, N. G. H., vs. 2nd Infantry, at Honolulu.
December 12—1st Infantry vs. 2nd Infantry, at Schofield.
December 17—1st Infantry, N. G. H., vs. 1st Infantry, at Schofield.
December 25—1st Infantry, N. G. H., vs. 2nd Infantry, at Honolulu (morning game).

Manager Fred Wichman of the National Guard football team has arranged a schedule of games with the 1st and 2nd Infantry teams covering six contests. All three teams have been working out each week and prospects are bright for a season of successful football between the trio of gridiron artists. Four games have been scheduled at Honolulu and two at Schofield Barracks.

In the practice to date the National Guard team has shown good work in all departments of the game, and with Bill Rosa at the helm has been playing the game up to the standard set by teams of other years. The return of Bill Inman will add to the team as this player has the weight, speed and knowledge of the game combined. With Austin, Brash and Brown and a steady captain, Bill Rosa, the other teams will have to show unusual form to down the locals.

Dr. Peden, who was a star in many games played on Franklin Field, Philadelphia, will run the team. In many of the games with Hawaii Peden has taken the quarterback place in practice, and has displayed enough "pep" to be acknowledged as one of the star backs of the game.

Manager Wichman stated yesterday that the 1st and 2nd Infantry teams will be strong, and expected a hard fight in the first game on Thanksgiving morning. The first local contest will be between the Infantry teams of Shafter and Schofield next Sunday. The squad of local players will be out to the game to get a line on the strength of the opposition. The schedule of games as announced should bring out some good football, and the many followers of the game will welcome the contests as the interscholastic season will be closed soon.

A golfer is usually the first to object if he seems to think the handicap committee has not given him the information to go by. As a matter of fact, handicapping has come to be largely a matter of guess work, except, of course, where cards are religiously returned. And the players, for the most part, have only themselves to blame.

If golfers were treated more harshly in the line of allowances, and the fact thus brought home to them that they cannot expect a fair reduction from their gross scores unless the committee is furnished with the required information, perhaps the lists at various clubs would not be the objects of criticism. A good way would be to insist that a player be rated at scratch unless five cards are handed in each month. The Portland club has taken a step in the right direction by posting a notice conspicuously on the bulletin board:

"The handicap committee most urgently requests that members deposit all score cards, properly dated and signed, in the box below, that it may have an adequate basis for fair handicapping."

It would appear that the golfer who does not return his card is almost in the same category as the one who pays no attention to divots. The lack of doing either is not fair to themselves in future rounds, nor is it fair to the others who play against them.

The woman champion of New Zealand is paying a visit to California. Her name is Mrs. C. W. Nichols-Brogie and she has arrived in Los Angeles with her husband and three babies.

Students of the Leland Stanford University recently started their fall tournament. A handsome trophy is the reward of the victor.

Among the prizes posted recently in the press golf tournament held in Chicago were two silver cups, a diamond trophy and three other prizes. The tournament of scribes is an annual event in the Windy City.

In a practice round Maxwell R. Marston, New Jersey state champ, and one of the medalists in the recent Detroit tourney, equaled the record of 71 strokes for the Baltusrol course

Teams Will Play For Championship This Afternoon

Owing to the fact that there was too much of a downpour to play football last Wednesday, the Punahou and McKinley Reserves have decided to battle for the honors this afternoon at Alexander field. The game will decide the second team championship. The players have been showing up well in practice, and it is expected that it will be a hard fought game. Punahou and McKinley seconds met before, and the game ended with no score.

Although Punahou has lost its best men, the team will put up a good fight. Peterson, their star drop-kicker, has graduated from the second to the first, and so have Norris, Smith and Macauley. The speedy backs of the Buff and Blue are expected to skirt the ends for long gains this afternoon, and if that does not work they will use the forward pass to a large extent.

Robert Boyd, playing at full for the Black and Gold, is expected to show up as a first class star today, although Bent and Stickney, both half-backs, have been showing up well in practice.

For Punahou, Noble and Wakefield, their plucky ends, are looked upon to stop the charging backs of opponents, and in the back field Awana and Brown are expected to make good.

A large crowd of pupils from the two schools is expected to attend the game, as this is the final, and it will decide the championship. The game is scheduled to begin promptly at 3:30.

BASKET-BALL HAS GOOD START AT Y. M. C. A. GYM.

There will be a practice basketball game between the Service and Hospital Corps teams at the Y. M. C. A. this evening at 7 o'clock. The Service will play their regular team, which is making such a good showing in the Y. M. C. A. league, while the Hospital Corps will use the men who are trying out for their team which will play in the Armory League.

Previous to this game, or at 8:30, there will be a short meeting of the various captains to decide on officials for tomorrow night's games. The senior league will stage two good games at 8 o'clock tomorrow evening. The two winners of last week, the Service and Hospital Corps, will meet in the second game, while the Dormitory and Tigers play the opener.

New League Started. A new league, the Club League, will begin operations next week and teams are being organized this week. This league is open to the senior department clubs and is intended for the average man who wants to play basketball, rather than for the skilled athlete.

Four teams have already entered, the P. B. C., with Joseph E. Santos as the leading booster; the Service Club, of which C. A. Pease was elected manager Saturday evening; the Night School Club, with Jan Mowat as captain, and the H. A. C. Efforts will be made to organize a Dormitory Club this week.

A double header in the club league will be played every Friday evening. This week the Service and Night School clubs will play a practice game Friday at 9 o'clock, just as the H. A. C. and P. B. C. did last Friday. On the following Friday the regular league schedule will probably begin. Men who want to play in the Club League teams are invited to inquire at the Y. M. C. A. office about joining a club. There is room for more men in several of the clubs.

hung up by "Chick" Evans in the open championship this year.

The new Wykagyl Country Club, of New Rochelle, N. Y., announces that it will make a bid for the national amateur championship tournament as well as the Metropolitan "open" for 1916.

Two big tournaments will be staged in the spring. The new clubhouse is less than a month old.

Now comes winter golf, with the 19th hole indoors instead of out under the big shade tree.

Golf as a treatment for insanity will be tried at the state hospital for the insane at Elgin, Ill. It is believed the outdoor exercise and competition of the game will have a goodly effect on those mentally unbalanced.

Golf may cure insanity, but what will cure golf.

At short time ago, John Montgomery Ward defeated Walter J. Travis, Metropolitan champion. And 27 years ago John Montgomery Ward batted .364 in a post-season baseball championship. But after all, what are 27 years to the correct swing and the proper eye?

By order of Essad Pasha, head of the Government of Albania, thirty Austrian secret agents were executed for trying to organize a revolt.

PALAMA TEAMS SHOW UP WELL IN BASEBALL

Senior League.		
	W.	L.
Kalihi	4	0
Palama	3	0
Star-Bulletin	2	2
Kauluwa	2	3
Kaimuki	0	2
Beretania	0	4
Junior League.		
	W.	L.
Palama	4	0
Kauluwa	2	1
Star-Bulletin	2	1
Kakaako	1	1
Kalihi	1	2
Beretania	0	5

On Thursday night Palama defeated Kauluwa by a one-sided score in the Senior League, thus cutting down the lead of Kalihi. The game was all Palama from start to finish, with both teams playing clean ball, but the Kauluwa pitchers simply could not stop the Palama hitters.

Friday night the Star-Bulletin teams—both Junior and Senior—won from Beretania, the Junior game being fairly close, but the Senior game was all Bulletins, with one notable feature, that the star pitcher for the Bulletins last year, C. Chang, does not seem to have the stuff that he used to have, as the teams that now face him seem to get to him, whereas last year he was standing them all on their ear.

Palama in the Junior League took a firmer grip on first place by defeating Kalihi by the score of 23 to 10, and unless Star-Bulletin stops them when they meet next Saturday night it looks as if Palama will win the championship this year. The umpires were Ben Clark and James Nott. Johnson did the pitching for Palama, and struck out 19. The Kalihi pitcher was handicapped by having poor support behind the plate, but with the article of ball that Johnson was pitching the final result would have been the same anyway. Palama did the best work in the fielding line while Kalihi led in baserunning.

Tomorrow night Kakaako and Kauluwa meet at Kakaako Hall and on Thursday night Kakaako and Star-Bulletin cross bats at the same place. Both of these games are in the Junior league.

The only games of the week in the Senior league will be played Friday night when Palama meets Kalihi at Kalihi and Beretania tangles with Kaimuki at Palama.

WAS DOBIE FOOLING CALIFORNIA SQUAD IN SEATTLE CONTEST?

SEATTLE, Nov. 14.—California played a remarkably strong game of American football against the University of Washington eleven here yesterday afternoon, losing only by the close score of 13 to 7. During the first three-quarters, California played superior to that of Washington, but weakened toward the end of the game and allowed the local to score points enough to win. A week ago yesterday Washington defeated California by a score of 72 to 0.

STARLIGHTS CONTINUE TO WIN ON DIAMOND

The Starlights defeated the Pauoas in a well played game at Nuanu Park yesterday afternoon by a score of 15 to 13. Alvin Medeiros was in the box, and struck out six of the Pauoas. The line-up of the Starlights was: Charlie Teves, catcher; Alvin Medeiros, pitcher; Jack Silva, first base; James Pehelo, second base; George Perry, third base; John Gouveia, shortstop; Ah Yen, right field; Tonney Perrier, centerfield; John Jordan, left field.

Now comes winter golf, with the 19th hole indoors instead of out under the big shade tree.

Golf as a treatment for insanity will be tried at the state hospital for the insane at Elgin, Ill. It is believed the outdoor exercise and competition of the game will have a goodly effect on those mentally unbalanced.

Golf may cure insanity, but what will cure golf.
